

A Taste of Bengal

HALDI CEREMONY, KOLKATA, 25.01.2027

Welcome to Kolkata! We're so glad you're here.

After your long journey, we bring you a simple Bengali spread. The flavours may be a little different from what you're used to, but we hope you savour this little introduction to Bengal, feel refreshed and fuelled for the celebrations ahead.

Please Note: For the next two celebrations that follow, we've kept the menus **entirely vegetarian**, keeping your comfort in mind.
